the corporation fire apparatus, was yester-day more densely crowded than it has been debt. for many a day. The augmentation chiefly arose from those atrabilious citizens who had oppugned law and order between Saturday night and Monday morning, and had been taken flagrante delictu by the po-lice. Mayor John E. Taylor and his aids were serene both in their integrity and

As usual on a Monday morning, "the docket was full." A half dozen parties were fined for ordinance violations. Others were up for demonstrating their capacity for outward manifestations under the influence of spirits, including two youthful male citizens, who had, superinduced by the aforesaid cause, engaged in a lively game of fisticul on upper Hull street. The Mayor imposed fines on all the above partices

William Hall (colored) was arraigned for forging the name of William Doswell (colored) to two notes for about \$45 and passing them to the Messrs, Jones as true and genuine promises to pay. Several of the material witnesses living at a distance, the rase was continued till next Monday, and Hall was committed to jail till that time.

Personal.—Messis, W. A. Sampson, R. C. Stanard, and J. B. Weisiger leave this city to-night for Charlotte, N. C., to accept positions in the Richmond and Danville railroad service. These young gentlemen are amongst the best known and esteemed of our young fellow-citizens. Tobacco.-Manchester from the earliest tutions.

period of her corporate existence has been noted for the effectiveness of her tobacco dry-stemmeries. Some of these, which still maintain an existence, and in season do no energy; such is Brown's Iron Bitters. inconsiderable quantity of shipping to European ports, are about to recommene work with full force.

Briefs.-Rev. George C. Vanderslice preached at the Methodist church of this city on Sunday. The sacred edifice was crowded on the occasion. The other city

in the falls of the James in the vicinity of the Richmond and Danville railroad bridge of the decomposing remains of a white man, name unknown. They were found lodged in a clump of willow bushes and attention was directed to them by a casual boatman noticing a flock of buzzards hovering over the spot. Subsequently investigation showed that the remains (which yere much mutilated) were those of David Jones, of North Carolina, who was formerly employed at the Tredegar Works, and the spot of the discovery in the falls of the James in the vicinity of the decomposing remains of a white man, name unknown. FLOYD COURTHOUSE, VA., } February 22, 1882.

To the Edilor of the Dispatch: What is the origin and meaning of the expression, "Blood is thicker than water"?

A SUBSCRIBER.

" Many think that this saying originated with Commodore Tatnall, of the United States navy, who assisted the English in the Chinese waters, and, in his dispatch to his Government, justified his interference by quoting the words, 'Blood is thicker than water.' It is, however, an old English proverb, and is to be found in Ray's lish proverb, and is to be found in Ray's lish proceed to sell at public auction, on the premises, on by quoting the words, 'Blood is thicker Collection of Fnglish Proverbs,' published in 1672. Walter Scott, too, makes Dandie Dimont say, 'Weel, blude's thicker than water." So says Edwards.

The Law of Limitation.

NEW QUESTIONS SETTLED BY THE SUPREME At a meeting of the directors of the Allschirt Case.

Y., on Sunday, it was decided not to parade on March 17th, but instead to give a public entertainment, the proceeds to be sent to Ireland for the benefit of the needy there.

The bodies of the family swept off in the Big Cottonwoods snow-slide have been recovered under forty tons of snow. They were not frozen, but lying naturally in their beds. It is evident they were smothered instantly in their sleep.

An investigation into the condition of the two banks which recently suspended at Macon, Mo., shows that the depositors will not get more than 15 per cent, of the COURT IN A BANKRUPT CASE. at Macon, Mo., shows that the depositors will not get more than 15 per cent. of the amount of their claims. The officers of the banks have been threatened with personal violence.

The Hon. Robert H. Pruyn, Minister to Japaa under President Lincoln, and a candidate for Lieutenant-Governor of New York in 1865, died suddenly at Albany on Sunday. He was president of the National Commercial Bank of Albany and of the Dudley Observatory, besides being trustee and director in several other institutions.

An enricher of the blood and puvifier of the system; cures lassitude and lack of the Corphans' Court, and decides: First. That the statute of limitation applies having elapsed from the time the son became indebted to the father, the statute of limitation and a pump in the local mander by the decedent's representative. In rebuttant the sasting of limitation and a pump in the decedent's representative. In rebuttant the sasting of limitation and a pump in the local mander by the decedent's representative. In rebuttant the sasting of limitation and a pump in the local mander by the decedent's representative. In rebuttant the sast said that the statute of limitation and a pump in the local mander by the decedent's representative. In rebuttant the sast said that the statute of limitation and a pump in the local mander by the decedent's representative. In rebuttant the sast said that the statute of limitation and the same proceedings were pending. The matter had been in the Orphans' Court nearly four years. About a dozen decrees had been in the Orphans' Court nearly four years. About a dozen decrees had been in the Orphans' Court nearly four years. About a dozen decrees had been in the Orphans' Court nearly four years. About a dozen decrees had been in the Orphans' Court nearly four years. About a dozen decrees had been in the Orphans' Court nearly four years. About a dozen decrees had been thered. It was sent once to the Judges of Challes, a local mander by a lamber of Challes, and of Tables, two or three Canonics of the Orp tutions.

An enricher of the blood and purifier of the system; cures lassitude and lack of energy; such is Brown's Iron Bitters.

Virginia News.

Joseph H. Watson, for forty years a well-known jeweller of Warrenton, Va., died Saturday night.

John Henchie, a young man employed on the New River railroad, lost his footing and fell down, the cliffs, a distance of ten or filteen feet, Thursday morning, and is reported badly hurt.

This week reverses the ucco.

That the statute of limitation applies to a distribution in the Orphans' Court where there is an exercise of the right to retain from a distribute's share his indebtedness to true on a note payable on demand from its date, and not from demand from its date, and not from demand is necessary before with the original proceedings in bankruptcy. The above questions decided by the Supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are new ones, and are of considerable mitted by the supreme Court are n

water tower built in this city under the patents of Abner Greenleaf and J. B. Logan, for the Fire Department of the city of Boston, to which place it will be shipped next week. As an incomplete of the city of Boston, to which place it will be shipped next week. next week. As an ingenious invention to raise hose to the heights of burning buildings which cannot be reached by firemen upon ladders, it has so commended itself upon ladders, it has been in use that one of the machines has been in use in New York for nearly a year past, and the second now goes to Boston. The principle is yery simple. A compact truck carries upon it a length of iron pipe that can be be proved by a reinchistic a perpendicular be.

THE ELEGANT, ATTRACTIVE, AND FIRST-CLASS THREE-STORY BRICK DE-TACHED GRACE-STREET RESIDENCE

AND VERANDAS TO BOTH FRONT AND SIDE PORCHES, BEAUTIFUL AND HIGHLY-ORNAMENTED SIDE YARD, WITH SHRUBBERY, &C., FOR SALE AT PUB-LIC AUCTION.

By request of the owner, who intends going abroad, we will offer for sale, upon the premises, on WEDNESDAY, MARCH 8, 1882.

at 4 o'clock P, M., the TRULY VALUABLE AND CONVENIENTLY-ARRANGED RESIDENCE above mentioned. It is strictly in first-class order and complete in its apartments, containing about twelve rooms, with all the most modern insprovements and conveniences, fine marble mantels, chandellers, &c. The neighborhood is amongst the very best in the city, and for a business-man desiring a first-class residence no better opportunity can be had. Upon the rest of the side lot, and fronting on an alley, there is a large brick stable and carriage-house, with ample account nodution for several horses and carriages. The lot has a front on the north side of Grare street of 62½ feet and runs back an irregular depth to a wide alley. A rare opportunity is here offered to purchase one of the nicest residence in the city, and it is seldom that such truly valuable property is offered for sale. A personal inspection is asked, as the property can only be appreciated by being seen.

Terms: Will be extra liberal and long, and will be announced at sale.
